

X-RATED: Caprice

# WINNER GETS... CAPRICE

SO Caprice, who's currently tearing strips off the contestants on TV3's **STYLE WARS**, says she's looking for a nice Irish guy.

Hold the phone!

That sounds like a much better idea for a reality TV show than trying to find a hot new fashion designer in Ireland.

Just think, lads, we'd get to form an orderly queue to fight over a lingerie model in her skimpies.

It would be a sort of x-rated X Factor.

In an unselfish bid to help get the project off the ground I'll even offer my services as a judge – for free.

Come on, TV3, you know you want to.
