PUTTING THE SEX IN ESSEX, EVERY WEEK

## Amy Childs in her undies!

Well, they're not hers actually - they're Caprice's!

ON THE TELLY!

WHAT A BODY!

**W**e're getting happily used to seeing the lovely front bits of *The Only Way Is Essex* stars Sam Faiers and Maria Fowler, but no matter how many episodes of the hit show we Sky+ and fast-forward through, resident vajazzle expert and table tennis hustler Amy Childs has remained vasingly buttoned up.

Until the lovely model Caprice got a sewing machine, stitched together a range of saucy frillies and asked Amy to climb into them for advertising purposes. Amy obliged. We got the snaps. And it's a very happy Valentine's Day for everyone! Apart from the actual Saint Valentine that is, who was beaten with clubs and stoned, then beheaded - one for you fact fans there!
